NITANP/SEMA/2024-25/27 Date: 13.02.2025

NOTICE

Sub: - Seeking nomination of students for summer internship as a part of MoU with IIT Madras-Reg.

Ref: - MoU with IIT Madras & email communication from IITM on 11.02.2025.

This is to inform all current 6th-semester B. Tech students of NIT Andhra Pradesh who are interested in pursuing their 7th and 8th semesters of B. Tech at IIT Madras, if selected, with an intention to do a direct PhD/MS by research program at IIT Madras if selected, to submit the following documents to the exam section on or before 24/02/2025 (Monday). Applications received after the deadline will not be considered.

1) Name and roll no./registration number of students, and the department at IITM in which they wish to continue their studies.
2) Curriculum Vitae of each student.
3) Official Grade Card/Marks sheet.
4) A short (not more than 1 page) 'Statement of Purpose' from the student - (Can include information like
    a) Why do you wish to apply for this programme
    b) Why do you wish to do a PhD / MS by research program at IIT Madras etc.
    c) Any scientific area that excites you etc.)

Selection Process:

1) NIT Andhra Pradesh have to send the nomination list of interested/meritorious students from various departments. (These students will be within the top 10% of their class). Minimum CGPA of 8 (out of 10) is required and the students should not have any backlogs or failures.

2) NITANP will nominate only those students who really wish to continue at IIT Madras for direct PhD / MS by research program. IITM do not wish to use this as a mere 7th-8th semester exchange programme. The intention of the programme is to train students in their 7th and 8th semester and help them get acquainted to the IITM standards and environment.

3) The students need to clearly indicate which departments they wish to continue for further studies in PhD / MS by research program, so that IITM can try to enable their 7th and 8th semester academics in that department.

4) After receiving the list from NITANP, they will circulate it to the respective departments at IIT Madras. They may do some screening and shortlisting.

5) The shortlisted students have to do a summer internship (with stipend **Rs. 15,000** per month) for 2 months at IIT Madras during **19 May - 18 July, 2025**, so that IITM faculty members can assess their capability to purse a PhD / MS by research program. Please note this is mandatory, if they wish to be considered further.

West Godavari District, Andhra Pradesh, India

6) In the end of July, IITM will intimate the list of selected students for continuing for 7th and 8th semester.

7) Students should maintain a CGPA of 8 and above to continue in the programme. Otherwise, they will be transferred back to their home institution.

8) Students have to apply for direct PhD / MS by research program on the IITM research portal during their 8th semester and clear an interview process, based on which they will be admitted to PhD / MS by research programme.

9) IITM will conduct an information session for students and faculty. They will intimate the date and time and online meeting link in a separate email/notice.

Timelines:

Please note these are important dates. There may be some variation depending on circumstances.

S.No	Action item	Timeline
1	Nomination of students from your institute to be uploaded on the portal by:	24 Feb 2025
2	Shortlisting by the departments at IIT Madras for summer internship	10 April 2025
3	Offer letters for summer internship to be released by	12 April 2025
4	Internship	19 May, 2025 - 18 July, 2025
5	Intimation of selected students for continuing in 7th/8th sem BTech	25 July 2025
6	Classes for next semester to begin at IIT Madras	31 July 2025

Other important points:

1. The selected students are not eligible for campus placement of IIT Madras & NIT Andhra Pradesh after/during the 7th/8th semester B.Tech.
2. The selected students B.Tech. degree will NOT contain the affiliation of IIT Madras.
3. IIT Madras will only issue a transcript stating grades and credits of courses done here. NIT Andhra Pradesh will map the courses/credits for issuing the BTech degree of the candidate.

Departments at IIT Madras:

1. Aerospace Engineering
2. Applied Mechanics and Biomedical Engineering
3. Biotechnology
4. Chemical Engineering
5. Chemistry
6. Civil Engineering
7. Computer Science and Engineering
8. Data Science & Artificial Intelligence
