Dear all,
Greetings from the Ministry of Education's Innovation Cell (MIC) and the All India Council for Technical Education (AICTE).

I am writing to invite registered startups from your institutes to participate in the upcoming Singapore India Hackathon 2023, specifically in the **startup track**. The Grand Finale of the hackathon will be conducted at **IIT Gandhinagar** from the **13th to the 16th of July 2023**.

The Singapore India Hackathon is a unique platform that brings together young minds from India and Singapore to collaborate and solve real-world challenges using technology. The hackathon focuses on two themes - **Fintech and ESG & Sustainability.**

For startups, this is the opportunity to showcase innovative ideas and solutions, network with experts from the industry, and gain valuable experience that could help scale their business in the future. The hackathon offers an excellent opportunity for startups like yours to collaborate with like-minded individuals, gain exposure, and solve real-world problems.

To participate in the hackathon, the startup founder/Team Leader has to fill out the application form at https://forms.gle/2M2RjX4xxGxqkKuTA. The application deadline is **31st May 2023**. The top six teams will be selected to participate in the Grand Finale at IIT Gandhinagar, where they will have the opportunity to showcase their innovative solutions.

We believe that your startup has the potential to make a significant impact, and we would be honored to have you as a participant in the Singapore India Hackathon 2023.

Thank you for your time, and we look forward to receiving your application.

Further updates will be provided via email and website banner notification.
Note: This form is intended for the purpose of collecting information from the interested Startup. The screening will be done for the finalization of participation in the Grand Finale.

Thanks and Regards
Singapore India Hackathon Team
