ANDHRA PRADESH

IDEATHON 2024

ORGANIZING BY:

ABOUT IDEATHON

Ideathon 2024, NIT Andhra Pradesh is conducted by **Innovation and Entrepreneurship Cell** in collaboration with **Institute Innovation Council**. It is an event where people express ideas to solve daily life challenges. Participants work individually to develop innovative proposals. Ideathon cover diverse topics like technology, social issues, and sustainability. Ideas are presented to panel of judge for evaluation and feedback.

RULES & GUIDELINES

- Only NIT Andhra Pradesh students are allowed.
- Participants are required to submit their presentations individually. Team submissions are not allowed.
- Each person can submit up to 2 ideas.
- Participants must prepare a PowerPoint presentation consisting of Max 15 slides.
- Last date for participation intimation / filling form with a rough idea ppt is 11th March.
- You will have a time till 13th March to finalize your ppt for presentation.
- Presentations are limited to a maximum duration of 10 minutes.
- The problem statement can pertain to any field or topic.
- Decision made by the panel will be the final.

SUGGESTED PPT CONTENTS

- **Problem Statement:** Clearly define the challenge or problem that needs addressing.
- **Proposed Solution:** Present your innovative solution to tackle the problem statement.
- **Flowchart:** Illustrate the workflow or process of your proposed solution using a flowchart.
- **Technical Requirements:** Specify the technology stack or resources needed for implementation.
- **Future Scope:** Discuss potential future developments or expansions of your solution beyond the initial ideathon.
- **References:** Provide any sources or references that influenced your solution.

Each section should be concise and visually appealing, with bullet points or brief descriptions to convey the key points effectively. You can use appropriate images, icons, or diagrams to enhance understanding and engagement.

PRIZES & CERTIFICATES

- All winners will receive mementos and attractive prizes.
- The top innovative ideas will be forwarded for funding from the institution.
- Every participant will be given a participation certificate.
