ANNEXURE-1

About NIT Andhra Pradesh

National Institute of Technology (NIT) Andhra Pradesh is the 31st institution among the chain of NITs started by the Government of India. The institution is located in Tadepalligudem town in West Godavari District, (on the Chennai – Kolkata NH16) Andhra Pradesh and started the academic sessions from 2015 and currently 10 departments in the institute offering 8 B.Tech, 8 M.Tech and 13 Ph.D and 1 M.S by Research programs in various disciplines of Engineering, Technology and Sciences. The selection process for B. Tech. programme is the same as that of all NITs, i.e. through Joint Entrance Examination (JEE-Main). The main goal of this institution is to promote an excellence in teaching, research, and innovation through quality education and thereby to serve the society. Recently, the first convocation ceremony was held successfully with the Chief Guest – Hon'ble Vice President of India, Shri Venkaiah Naidu. NIT AP Campus received Platinum Rating by the Indian Green Building Council (IGBC). Following is the intake: 750 B.Tech per year, 100 M.Tech per year, 50 Study In India program–B.Tech per year and 235 Ph.D & 2 (M.S by Research) as current strength. Three B.Tech batches (2015, 2016 & 2017 admitted) are successfully graduated from the institute with an attractive placement record.

The newly constructed various buildings of NIT Andhra Pradesh were inaugurated on 27 October 2020 by Union Minister of Education Shri Ramesh Pokhriyal 'Nishank'. In the Phase –IA, following buildings are ready to use now by the students, faculty and staff: Academic Block, Boys Hostel, Girls Hostel, Laboratory Complex, Guest House, Workshops, Faculty Quarters, Canteen, Staff Quarters, Play Ground, and Cricket Ground.

NIT Andhra Pradesh continues to grow each year with improvement of quality and standards in higher education, research and industry relations. NIT AP is a fully residential campus. All the students live in hostels located on the campus. All these hostels have spacious rooms and have all basic amenities such as food mess, canteen, lounges, and Wi- fi internet access etc. The hostels are named after various rivers and tributaries of India.

For more details, please visit: <https://www.nitandhra.ac.in/>

National Institute of Technology (NIT) Andhra Pradesh invites online Bids for **Hiring of Public Relations Agency**. All offers should be written in both figures and words. Tender forms can be downloaded from the CPP Portal (<http://eprocure.gov.in/eprocure/app>) & Institute website <https://nitandhra.ac.in>.

The bidders are requested to read the tender document carefully and ensure compliance with all specifications/instructions herein. Non-compliance with instructions in this document may disqualify the bidders from the tender exercise. NIT Andhra Pradesh reserves the right to reject any offer without assigning any reason whatsoever. NIT Andhra Pradesh reserves the right to cancel the tender at any stage without assigning any reason. Also, NIT Andhra Pradesh reserves the right to change the condition at any later stage. Incomplete tenders, amendments and additions to tender after opening or late tenders are liable to be ignored and rejected.

Purpose of EOI

The objective of this EOI is to engage a Public Relation (PR) agency who would better publicize and bring into focus the top research activities, community services, technology development initiatives, teaching, learning and professional programs of NIT Andhra Pradesh at national and international platforms as well.

The said PR agency will formulate a strategy (short and long term) to address the following objectives:

- Positioning NIT Andhra Pradesh as an “Institute of Choice” among prospective students and

Chennai, Delhi, Mumbai, Kolkata, Bangalore, Hyderabad.

- Agency must organize relationship building meetings for Director and Deans with editors and senior journalists across all key metros.
- Agency must meet the Director, Registrar, Deans, Associate Deans, Heads from time to time to understand priorities for the media outreach and develop outreach strategy, and execute accordingly.
- Agency must develop and disseminate press releases to national media on topics of media interest such as : Academics, Curriculum/ new courses, Innovations by faculty & students, Placements, students & faculty exchange programmes, Research Collaborations, Industry collaborations, National & International MoUs, any other research developments, admissions, seminars, workshops, convocation, and other outreach activities.
- Agency must meet up with faculty across Departments and Centers, reaching out to at least 2-3 new faculty per month across departments, to understand the research in progress and work out a case to strategize for media outreach for such research to highlight the outcomes and the impact.
- Agency must provide media outreach support for ongoing announcements and events, seminars and activities of media relevance on campus. An average of 3 large events per annum and about 5 small events per annum will be held on campus for which media has to be invited and coverage to be managed.
- Ongoing media outreach with electronic media to cover student and faculty research, events in the Institute must be organized. 2 large format electronic media coverage, regional and national, to be organized per year.
- The agency must place at least 2 authored articles per quarter from key faculty in the Institute in mainline national media. The article will be provided by the faculty.
- The agency must organize 1 visit of a senior journalist (preferably covering Science & Research) to campus per quarter from a national daily / magazine / TV to highlight the high-end research on campus.
- The agency must work with the placement cell of the institute to highlight the success stories of placements every season on campus.
- The agency will highlight the activities and success stories of the Research laboratories / Incubation Centre incubated by NIT.
- The agency must develop press releases or pitch notes for media on published research from faculty at NIT Andhra Pradesh and disseminate it to popular media.
- The agency must send the daily alerts for all news relevant to NIT Andhra Pradesh and other NITs & IITs.
- The agency must provide ongoing counsel during crisis. This should include alertness in media monitoring, counseling the Institute on crisis communication and preparing media statements and responses to media queries and coming up with a strategy for crisis communication.
- The agency must also conduct a crisis communication workshop for key faculty to prepare them to communicate during crisis situations.
- The agency must monitor print, online and electronic media on a daily basis and send the Institute a daily monitoring report of all news clips.
- The agency must submit a dossier of coverage along with analysis of the coverage on a monthly basis.

Agency reporting and monitoring / measuring outcomes

- The agency will work with the Institute's Communication officer or as per the Directive of the NIT Andhra Pradesh authority on a day-to-day basis for the above activities.

scholars (BTech, MTech, PhD, M.S. Research)

- Position NIT Andhra Pradesh as an institute focused on research and innovation
- Position NIT Andhra Pradesh as an institute with good industry, academic and research collaborations
- Highlight prospective faculty's high-end interdisciplinary R&D work being done on campus
